To Whom It May Concern:

I would like to endorse Art Kumthekar's Safe Teen Driver program. As a cosponsor of Senate Bill 146, I applaud Mr. Kumthekar's efforts for spreading the message of prevention about an issue that is deeply close to me. It is phenomenal that the Safe Teen Driver program has conducted over 12 community awareness events and placed first at the State Leadership Conference for Future Business Leaders of America. Not only are their accolades impressive, the impact that they are having on the members of their community is of great importance. The awareness that the Safe Teen Driver program provides can possibly save the lives of many teens throughout not only the state of Ohio, but the entire country. I commend the efforts of Mr. Kumthekar and his Safe Teen Driver program and I hope they can achieve the highest level of success in order to spread the message of the dangers of distracted driving.

Sincerely,
